**OLD SWEDES'
CHURCHYARD**

CHURCHYARD RULES AND REGULATIONS

Gloria Dei (Old Swedes') Church, the second oldest church in the United States, and its surrounding churchyard were established in 1677 and has been a continuously active place of worship and burial respectively since that time.

Burial in Gloria Dei (Old Swedes') Churchyard as with all church graveyards means that the right to bury is conferred, not the land itself.

These Rules and Regulations are designed for the protection of all owners of entombment, interment and inurnment rights. Their enforcement will protect Gloria Dei (Old Swedes') Church rights and create and preserve the beauty and history of the churchyard. All Owners of Deed or Certificate Rights, Visitors, Contractors performing work within the churchyard, and any other person entering the churchyard shall be subject to these Rules and Regulations, and to all subsequent amendments or alterations thereto, as shall be adopted by the Churchyard Regulations, or to amend, alter or repeal a Rule or Regulations or portion thereof. Reference to these Rules and Regulations in the Deed or Certificate of [Interment Rights] shall have the same force and effect as if they were set forth in full therein. Copies of these Rules and Regulations and any other policies established by Gloria Dei (Old Swedes') Church shall be available at the church office for examination by any Owner or prospective Owner.

SUPERVISION OF CHURCHYARD

The churchyard is the property of Gloria Dei (Old Swedes') Church and its Rector and Vestry have the right to compel full compliance with all of the Rules and Regulations of Gloria Dei (Old Swedes') Church by all lawful means including, but not limited to, the expulsion or exclusion from the grounds of any person, firm, or corporations who have violated or threatened to violate any of the Rules and Regulations.

Gloria Dei (Old Swedes') Church reserves the right to take any reasonable actions to protect Owners, the property rights of Owners, and Visitors within the churchyard from loss or damage. Gloria Dei (Old Swedes') Church expressly disclaims any and all responsibility, and shall be relieved from any liability hereunder for loss or damage from causes beyond [its] reasonable control, including, but not limited to the following: damage caused by independent contractors; damage caused by other persons including thieves, vandals, strikers, malicious mischief-makers, explosions, unavoidable accidents, invasions, insurrections, riots, or order of any military or civil authority, and damage caused by the elements, acts of providence, and vehicles not on the business of Gloria Dei (Old Swedes') Church, whether the damage be direct or collateral.

The ground available for burials in the churchyard has been laid out into Lots and Spaces on a plan, with walkways, as directed by the Vestry. No Lot or Space shall be divisible into smaller portions than those indicated on the plan. Gloria Dei (Old Swedes') Church reserves the right to correct any errors that may be made by it or others in the design, layout or selection of areas for churchyard uses in making interments, disinterment or removals, or in any inscription, or conveyance, by substitution in lieu thereof, other interment rights of substantially equal value and similar location as far as practicable, or as may be selected by Gloria Dei (Old Swedes') Church, or in the sole discretion of Gloria Dei (Old Swedes') Church, by refunding the amount of money paid on account of said purchase. In the event such action shall involve the interment of the remains of any such person in such property, Gloria Dei (Old Swedes') Church reserves the right to remove and transfer such remains so interred to such other property of substantially equal value and similar location as may be substituted in lieu thereof. Gloria Dei (Old Swedes') Church reserves the right to correct any errors made in interments.

All rights of interment evidenced by Certificates of [Interment Rights] are and shall always be limited by and subject to, and the Owners thereof shall be required to comply with, these Rules and Regulations as in effect from time to time. The rights of all Grantees evidenced by deeds shall always be limited by and subject to these Rules and Regulations and or any subsequent amendments to them, and said Grantees shall be required to comply with these Rules and Regulations or any subsequent amendment to them.

SALE OF INTERMENT RIGHTS

Interment Rights, whether evidenced by a Certificate of Ownership or Deed, shall be considered personal property.

Purchase Prices and terms and conditions of sales, shall be fixed by Gloria Dei (Old Swedes') Church from time to time. The Vestry reserves the right to offer special sales incentives from time to time and to withdraw such special incentives in its sole discretion.

The purchase price of any lot or space, which after March 1, 2017, must be accompanied by an appropriate charge for and payment to the Perpetual Care Fund, must be paid in full prior to any interment in said property.

CERTIFICATE OF OWNERSHIP

A Certificate of Ownership for Interment Rights, in a form approved by the Vestry, shall be issued to each purchaser, or approved transferee, upon payment in full of the purchase price. Deeds, issued prior to October 1, 2017, will be replaced gradually by Certificates of Ownership for Interment Rights.

A Certificate of Ownership for Interment Rights may only be issued in the name of one living person, except in the case of husband and wife as tenants by the entireties. Should an interment right be selected for a deceased person, the Certificate of Ownership should be issued in the name of a family member or friend. Certificates may not be issued in the name of an estate, trust, institution, church or other entity.

Gloria Dei (Old Swedes') Church shall keep a Record Book in which are record the names of the owners of all interment rights, and subsequent transfers of interment rights. No transfer of interment rights shall be valid until so entered. Gloria Dei (Old Swedes') Church may consider the individuals listed in the Record Book as owners of interment rights for all purposes.

If interment rights at Gloria Dei (Old Swedes') Church have been inherited, the heirs must present proof of such inheritance and Gloria Dei (Old Swedes') Church will issue a Certificate of Ownership.

Except with the written permission of Gloria Dei (Old Swedes') Church, and after payment of specified transfer fees, no transfer of interment right shall be valid.

The keeping of clear title to interment right shall be the primary responsibility of the Owners or Grantees, and not of Gloria Dei (Old Swedes') Church. Where an Owner wishes to clarify title or to determine who may be buried in a specified location a Representative of Gloria Dei (Old Swedes') Church may inform the Owners or Grantees about information from Gloria Dei (Old Swedes') Church Records. Any verbal or written communication of information disclaims any and all liability for reaching any conclusions based on the information. Gloria Dei (Old Swedes') Church may require accurate supporting information. Signatures or affidavits from persons requesting information and may rely on the affidavit of any person having knowledge of the facts with respect to the death of Owners or Grantees and the identity of persons entitled to be buried in the unoccupied property. A fee may be charged for such information.

Unused interment rights may be given back to Gloria Dei (Old Swedes') Church by appropriate written instrument, but no refund of the purchase price or of any payment for Perpetual Care shall be made. Therefore, such unused interment rights may be resold by Gloria Dei (Old Swedes') Church. Unused interment rights shall automatically revert to Gloria Dei (Old Swedes') Church, absolutely, free and clear of all claims and interests of the Owners, if, after [110] years from the date of issuance of any Certificate of Ownership of Deed, Gloria Dei (Old Swedes') Church, following two registered mailings to the last address in the Churchyard Records and one advertisement in a legal newspaper of general circulation in Philadelphia, PA, has been unable to make contact with the Recorded Owners of family members or heirs. Gloria Dei (Old Swedes') Church shall not illegally disturb the remains of any person interred.

Interment rights sold prior to October 1, 2017 for which no payment has been made to the [Perpetual Care Fund], and on which billings for annual care are in default for four years or more, shall revert automatically, free and clear of all claims and interests of the Owners. Thereafter, the interment rights can be resold for use by others, provided that Gloria Dei (Old Swedes') Church shall (a) first have demanded payment in two registered mailings sent to the last

known address as indicated in the Records of Gloria Dei (Old Swedes') Church, (b) shall have advertised to the same in a legal newspaper of general circulation in Philadelphia, PA, and (c) shall continue its policy not to illegally disturb the remains of any person already interred.

FUNERAL AND BURIAL REGULATIONS

Funerals at Gloria Dei (Old Swedes') Church shall be at the discretion of the Rector of Gloria Dei (Old Swedes') Church.

The time for any funeral service of burial shall not be set by the family or any Funeral Director, without prior approval of the Gloria Dei (Old Swedes') Church Rector. Arrangements for funeral services and burials must be made at least 48 hours in advance of the time desired for these services. When burials and services require a different time frame and/or accommodations due to religious law or custom, all efforts will be made by the Gloria Dei (Old Swedes') Church Rector to accommodate these requests. No funeral service or burial may take place without the prior approval of the Gloria Dei (Old Swedes') Church Rector and the payment in advance of all fees due, including the payment of the purchase price, any monies owing from previous contact obligations, annual or perpetual care fees in arrears, or any other unpaid charges related to the property.

No deceased person will be interred unless legal permits and such further authorizations as Gloria Dei (Old Swedes') Church may require have been presented to the Gloria Dei (Old Swedes') Church Rector, including 1) A copy of the "right to bury" certificate given at the time of purchase, and 2) A certified death certificate issued by the state in which the deceased died.

Signatures of both the next of kin of the deceased and the property owner are required. Gloria Dei (Old Swedes') Church shall not be held responsible for information contained in the Burial or Cremation Permit nor for the identity of the person to be interred.

Burial Spaces are single depth only, except where a prior burial has been made at a depth of eight feet, and arrangements made for a spouse to be buried in the same space. Gloria Dei (Old Swedes') Church is not responsible where actual burials are not located exactly as the records indicate. No more than ten cremation urns will be permitted per casket-sized space.

Full casket burials are restricted to individuals with whom Gloria Dei (Old Swedes') Church has a prior to 2014 contractual agreement. At this time there can be no accommodation for future casket burials.

Gloria Dei (Old Swedes') Church shall not be responsible for permitting burial of any person or cremation urn in any Lot or Space where the person involved is not the Owner or Grantee of the Property to be used.

If the right of interment or ownership is not clear, or is in dispute, no burials will be permitted except by written authorization of all persons known to have an interest in the Property and with the approval of the Gloria Dei (Old Swedes') Church Vestry.

Except for fully biodegradable containers, all interments must be made in an outer receptacle of a design, construction and material conforming to specifications approved by Gloria Dei (Old Swedes') Church. The most common kinds of burial vaults in use in the churchyard are concrete, poly-fiber or steel. Cremation Urns must be placed in a concrete outer container for burial, and the size of the space to be prepared depends on the size of the cremation vault. No casket burials are permitted in the churchyard. (Unless contracted prior to 2014)

All preparation for interments shall be performed by a Contractor approved by Gloria Dei (Old Swedes') Church and under the supervision of Gloria Dei (Old Swedes') Church. Disinterment shall only be performed or permitted upon presentation of proper legal authority and in conformity to the Gloria Dei (Old Swedes') Church Disinterment Authorization.

Interment Rights shall be used for no other purpose than the interment of remains or cremated remains of a deceased human person.

Written instructions must be filed with Gloria Dei (Old Swedes') Church as to the particular space, Location in a Lot where interment is desired [to] insure that owner's wishes are followed.

Even then, the legal owner may make changes. Gloria Dei (Old Swedes') Church will not be held responsible for any error in such placement.

Gloria Dei (Old Swedes') Church reserves the right to correct any errors made in the layout and designation of a specific space to be opened for burial. Should a burial space be subject to previous sale, unknown to the Gloria Dei (Old Swedes') Church Vestry, or should the space be inadequate to accommodate the burial, then alternate but similar burial property shall be provided at the expense of Gloria Dei (Old Swedes')

Church. In no case shall Gloria Dei (Old Swedes') Church be held liable for errors and omissions beyond its control. Often burials made from 1700 forward were not properly designated on the records of Gloria Dei (Old Swedes') Church, and the depth of the burials varied.

MEMORIAL GARDEN REGULATIONS

Common burial for cremated remains is provided in our Memorial Garden. These burials are not restricted to persons affiliated with the church and can be purchased by anyone with the understanding that this site is common and will eventually be reused. For burial in the Memorial Garden, cremated remains can be emptied directly into the soil or placed in a biodegradable container. The ashes may not be placed in plastic either inside or outside of the biodegradable container. No individual markers or personal flowers may be put on this site. The deceased's name will be recorded on an engraved plaque on the wall inside the church.

MEMORIALIZATION AND INSTALLATION REQUIREMENTS

All memorials must be approved, in writing, by the Gloria Dei (Old Swedes') Church Vestry. The memorial must conform to the Gloria Dei (Old Swedes') Church overall goal to enhance the beauty of the grounds. Decisions regarding suitability of any memorial shall be the sole responsibility of the Gloria Dei (Old Swedes') Church Vestry, and the Gloria Dei (Old Swedes') Church Vestry retains the authority to reject any memorial, which is unsuitable to the Lot on which it is to be placed. Gloria Dei (Old Swedes') Church shall not be held liable for damages arising from such rejection.

The marking of each interment space, except as herein provided, is restricted and limited to memorials of such dimensions, materials, designs, finish and construction as designated by Gloria Dei (Old Swedes') Church for the particular Lot. If a memorial is purchased from a source other than the approved Memorial Company, a Memorial Installation Permit, as provided by the Gloria Dei (Old Swedes') Church Office, must be applied for and completed prior to any memorial being installed in the churchyard. A permit fee is charged.

Installations of memorials are performed by outside contractors. Families will select their own contractor. Contractors must make appointment for installation of memorials at least 48 hours in advance with Gloria Dei (Old Swedes') Church, and work needs to be

performed during regular business hours, Monday through Friday. All Contractors need to give the Gloria Dei (Old Swedes') Church Office evidence of adequate insurance to cover the work performed and any possible damage to the churchyard grounds.

No memorial or inscription, which the Gloria Dei (Old Swedes') Church Vestry considers offensive to decency or to the general well being of the churchyard, may be placed on any Lot. No memorial may be removed from any Lot where it is located without the written consent of the Gloria Dei (Old Swedes') Church Vestry and the written authorization of the Property Owner and next of kin of the deceased. Removal instructions and fees will be provided.

No memorial inscription may be altered without written permission from the Gloria Dei (Old Swedes') Church Vestry. If an unapproved change is made, the Gloria Dei (Old Swedes') Church Vestry reserves the right to remove the memorial at the owner's expense.

All memorials shall be installed at the risk of the Property Owner, and Gloria Dei (Old Swedes') Church assumes no responsibility for the damage thereof, whether due to design,

Manufacture, inherent defect, nature of material, acts of vandals, acts of God, deterioration due to nature and erosion by the elements, or other causes beyond Gloria Dei (Old Swedes') Church control.

All Government memorials must be approved for installation by the Gloria Dei (Old Swedes') Church Vestry. Fees for foundation and installation are to be borne by the family. Foundations are required for all government memorials, whether made of bronze or granite.

The purchaser of the memorial is responsible for the final date scrolls and inscriptions.

No memorial may be modified or removed from the Lot where it was placed without a written request from the next of kin of the deceased, whose name(s) appear on the memorial. In addition, written approval from the Property Owner to perform work on the property, and the written consent of the Gloria Dei (Old Swedes') Church Vestry is required.
